Fire Prevention Day--Friday, October 8th.

Gov. Richard I. Manning has issued a proclamation designating Friday, October 8, as Fire Prevention Day. The Kingstree Hardware Co., who are always on the alert, are prepared to assist you in the proper observance of this day. We have the justly celebrated **Baxter Fire Extinguishers** in stock and can sell them to you at factory prices. Come and see them. Hanging one or more up in convenient places in your home, place of business, ginney, garage, stables or barn may prevent a disastrous fire and may be the means of saving the life of your loved ones or of saving many thousands of dollars. It will cost you but very little to prepare for an emergency. The wise man looks forward and prepares, while it is the foolish man who has to console himself with regrets. Be wise and call on and purchase from

Coffins and Caskets.

EVENTUALLY--WHY NOT NOW?

We Lead--Others Follow.

HOW CAN A CAREFUL MAN ALLOW HIMSELF TO DRIFT INTO DEBT? DEBT IS AS DANGEROUS AS A DISEASE. IT IS A DISEASE. A FLY ON A PIECE OF FLY PAPER SOMETIMES FREES HIMSELF WHEN HE IS ONLY ON THE EDGE. BUT "DEBT" IS A MONSTER THAT IS HARD TO GET FREE FROM. IT IS SO EASY TO "CHARGE IT." DON'T DO IT; PUT A LITTLE MONEY IN THE BANK INSTEAD.

FOUND DEAD ON TRAIN.

Philadelphia Physician Dies Suddenly While Travelling.

Florence, October 10:—Dr J T Hamilton, a prominent physician of Philadelphia, was found dead in his berth in a Pullman car when train No 80, the morning train from Charleston and the South, reached Lake City yesterday morning. Coroner J L Gunn was notified and took charge of the body here and made inquiry into the condition of the doctor and his death. He had retired apparently as well as usual, though he was suffering from chronic ailments. His wife was concerned when he did

not rise this morning as usual and she crossed the aisle to wake him, and found him dead. The body was taken from the train for preparation for burial and was sent on this evening with the stricken wife to his Pennsylvania home for interment.

Chronic Constipation.

"About two years ago when I began using Chamberlain's Tablets I had been suffering for some time with stomach trouble and chronic constipation. My condition improved rapidly through the use of these tablets. Since taking four or five bottles of them my health has been fine," writes Mrs John Newton, Irving, N Y. Obtainable everywhere.
